

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM - ISO/IEC 27001:2005

This is to certify that:

SciSys Plc
Methuen Park
Chippenham
SN14 0GB
United Kingdom

TM

Holds Certificate No: **IS 551131**

and operates an Information Security Management System which complies with the requirements of ISO/IEC 27001:2005 for the following scope:

Provision of software based solutions to meet a wide range of customer-specified requirements in all market segments. This includes business analysis and consultancy services, as well as the specification, design, development, installation and maintenance of bespoke solutions and the selection, sourcing, provisioning and integration of package-based solutions. Other services provided include facilities management, applications management, hardware selection and supply, integration of systems within the business processes and the analysis of corporate infrastructures, together with associated recommendations and implementation. This is in accordance with Statement of Applicability version 1.1.

For and on behalf of BSI:

Managing Director, BSI EMEA
