'modern regulation'

Traditional regulation has achieved much. But the nature of regulation has to change to keep pace with changes in the economy and society. We are further developing our approach to regulation to improve and protect the environment. This approach is focused on outcomes and is risk-based. We communicate it clearly and consistently. We call this 'modern regulation' and this booklet explains what it means and why it will make a difference.

Delivering for the environment

A 21st Century approach to regulation
